You Can Make A Difference - One Child At A Time!

Please support Global Change for Children. Your contribution is instrumental in enabling us to meet our goal to improve the lives of children. Our endeavors include projects ranging from the construction of a school in Guatemala, classrooms, a library, and kitchens in Kenya; to breakfast and lunch programs in Yukon and Peru; to outreach counseling services for youth, upgrading art therapy rooms and providing supplies for sexually abused children in the Lower Mainland.

GC4C is a registered non-profit foundation established in 2009 with the purpose of providing financial and other types of assistance for the promotion and enhancement of the health, education, social and economic development of children. GC4C is a volunteer based organization, and because we have no overheads or paid employees, 100% of our net proceeds go directly to the projects we sponsor.
